

BRÜCKE DACHAU E.V.

Perspectives for young people and adults

POINTING OUT
PERSPECTIVES.

● Perspectives for young people

Help for young people in criminal proceedings

- Information about the course of action of court hearings as well as identification of special educational needs
- Explanation of the personal situation before court and proposal of a punishment according to educational aspects

Help offered at the office according to juvenile law

- Advice, instructions to assistance and social training courses
- Victim-offender dialogue as a means of common conflict resolution and compensation
- Relaying possible work places for the performance of community services
- Performance of community services in nature conservation under the instructions of Brücke employees

● Perspectives for adults

Expert office for out-of-court settlements

- Victim-offender dialogue - Restorative Justice
Settlement of conflicts between offender and victim in the course of criminal proceedings with the help of a mediator

Expert office for relaying community services

- As a court restriction or to avoid detention
